Unwind and relax as house guests in our large, comfortable
semi-working farmhouse set in idyllic surroundings...

Unwind and relax as house guests in our large, comfortable working farmhouse set in idyllic rural surroundings.

We pride ourselves on our comfortable and tastefully furnished rooms which have en-suite facilities, remote control colour TV, hairdryers and tea coffee making facilities. We also have washing drying and ironing facilities. The huge traditional beamed farmhouse kitchen is always a favourite with our guests where they can meet some of the locals, engage in conversation or just experience rural life in general. A Full English Breakfast is included - evening meals are by arrangement only. If the weather permits, we have large patio areas and garden where you can relax or stroll around the farm or the surrounding countryside. In the colder months we have a huge log fire where you warm your toes and your heart. We have ample parking facilities for cars and horseboxes.

Come and enjoy the hospitality of our traditional farm. Unwind and relax as house guests in our large, comfortable working farmhouse set in idyllic rural surroundings. We adopt a home-from-home atmosphere which many of our guests have acknowledged time and time again. Tea and excellent conversation are a familiar site in our huge farmhouse kitchen. Excellent food, comfortable rooms and a welcoming feeling will make your stay here one to be remembered.

New Manor Farm is in the tiny village of Woolley which is situated approx. 5 miles from Huntingdon, an historic town with many interesting sites. There are many local places of special interest including: Huntingdon Racecourse which is just a few minutes drive, Fishing and Sailing at Grafham Water and Go-Karting at Stow Longa to name but a few. Hinchbrooke House in Huntingdon is open to the public on Sunday afternoons during the summer. Other sites include the Oliver Cromwell Museum, located in the centre of Huntingdon, and the beautiful Hinchbrooke Country Park.
